

## Golf – January 2018

This was a proud few weeks for our program. Last Monday, the boys team of Matthew Riedel, Jack Diamond, Connor Stein, Brooks Ballard, and Luke Scaff took 1st place as a team in the Woodlands tournament. The boys shot a 309 as a team and won by 6 strokes. Matthew Riedel took 3rd as an individual with a round of 73. Great job, men!

Saturday, I had the chance to cheer on two of our senior golfers while they earned a scholarship from the Positive Coaching Alliance. Ashley Barrett and Sean Daly were each select as finalists for the Triple Impact Competitor scholarship and each received a scholarship. It truly was an honor to see them recognized for their hard work and commitment to community.

Another tournament this week and another medal! The boys team of Matthew Riedel, Jack Diamond, Connor Stein, Ryan Byrd, and Dennis Butts finished 3<sup>rd</sup> in the Magnolia Shootout at High Meadow Ranch. The team finished 2-strokes out of first. Matthew Riedel finished 4<sup>th</sup> as an individual. Great job boys.
